WHEREAS the Secretary of State for External Affairs, reports as follows:

That the Commonwealth Institute of Biological Control has asked for assistance from Canada in the construction of a new two-storey research facility adjacent to the existing West Indian Station located in Trinidad;

That the new facility is needed to permit the West Indian Station to expand its research activities, mainly of a regional nature, in order to fulfil its objective of controlling and/or eradicating pests by the introduction of natural, rather than chemical, pesticides;

That it is considered desirable and appropriate that Canada make a contribution not exceeding \$100,000;

That approval was granted on December 10, 1970, to allot, from within an allocation of \$5 million for agricultural development of the Commonwealth Caribbean, \$500,000 for regional projects of which this two-storey research facility forms a part; and

That Vote 33(d) of Appropriation Act No. 2, 1965, as amended, authorizes payments, subject to terms and conditions approved by the Governor General in Council, to recognized international development agencies.

...2

- 2 -

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Secretary of State for External Affairs, is pleased hereby to approve payment out of the Special Account authorized by Vote 33 (d) of Appropriation Act No. 2, 1965, as amended, of Canadian \$100,000 to the Commonwealth Institute of Biological Control, subject to the following terms and conditions:

- (a) Scrutiny by CIDA of the drawings for the proposed building, before copies of the drawings are circulated by CIBC to potential contractors in Trinidad and Tobago for tenders;
- (b) Scrutiny by CIDA of the tenders, before the contract is awarded;
- (c) Progress payments by CIDA on receipt of suitably presented interim bills;
- (d) Inspection by CIDA before final payment to the contractor is made.

WHEREAS the Secretary of State for External Affairs, reports as follows:

That in July, 1966, Canada entered into a five year agreement with the University of the West Indies under which Canada allocated \$1 million per year to cover technical and capital assistance to the University;

That on June 17, 1971, approval was given for an allocation of grant aid funds of "800,000 in the 1971/72 fiscal year and that discussion concerning a second five year programme for the years 1972 to 1977 have been held, based on a notional level of support of \$2 million per year, in the course of which the University has accepted in principle CIDA's desire to support an integrated series of training, educational and capital projects in selected fields of University activity;

That it is considered desirable, within this context and within approved allocations for the University, to support and strengthen the Departments of Management Studies of the University;

That it is considered desirable and appropriate to allot \$1 million from the allocation for the University of the West Indies for this purpose, and to foster a twinning arrangement between this University and the University of Western Ontario School of Business Administration;

That the cost of the services to be provided by the University of Western Ontario will be approximately \$706,000 and that the cost of materials, supplies and services to be purchased by the University of the West Indies for the purpose of the project will be approximately \$294,000; and

- 2 -

That the special account authorized by Vote 33 (d) of Appropriations Act No. 2, 1965, as amended, authorizes payments to educational and technical institutions in developing countries, subject to terms and conditions approved by the Governor in Council.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Secretary of State for External Affairs, in respect of the twinning arrangement to be concluded between the University of West Indies and the University of Western Ontario, is pleased hereby, pursuant to the provisions of Vote 33(d) of Appropriation Act No. 2, 1965, as amended, to authorize the Canadian International Development Agency to make payments to the University of West Indies totalling approximately \$294,000 to cover the cost of materials and services, graduate scholarships, preparation of course material, and certain travel costs of the University's staff members and to authorize, also, the conclusion of an appropriate arrangement with the aforesaid University covering the purposes of the payment.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, as requested by the National Harbours Board, pursuant to section 11 of the National Harbours Board Act, is pleased hereby to authorize the National Harbours Board (hereinafter called the "Board"), to grant to Anaconda American Brass Limited (hereinafter called the "Company"), a lease for the period August 15, 1970 - April 14, 1991 (with a right of first refusal in the Company of such future Lease, if any, as may be decided upon by the Board for the period of at least ten years commencing April 15, 1991, re the same rights and property, but such future Lease to be not necessarily upon the same terms and conditions as the Lease herein recommended), this present Lease relating to premises situate at Belledune Harbour, New Brunswick, and pertaining to:

- (A) the demise of a certain parcel of foreshore and/or waterlot, some 177,819 square feet in area (hereinafter called "Parcel A");
- (B) a roadway easement, together with various additional easements, each in respect of certain other property currently defined as situate in a specified location and as possessing an area of some 203,000 square feet, but such property (hereinafter called "Parcel B") to be subject to change from time to time in location and/or area should such change be, in the Board's opinion, advisable by reason of developments at Belledune Harbour, and the Company to be entitled (in the event of any such change

necessitating the abandonment or removal by the Company of any surfacing, structures or installations made or constructed at the Company's expense) to reimbursement by the Board of such lastmentioned expense;

- (C) a further easement for a portion of the Company's bulk-cargo handling equipment in respect of a third parcel of property, some 1,655 square feet in area (hereinafter called "Parcel C");

such Lease to impose for the initial period August 15, 1970 - April 14, 1976, annual rentals of \$1,778.19 (1¢ per square foot) re Parcel A, \$200.00 re the roadway easement over Parcel B, and \$1.00 re the abovementioned easement in respect of Parcel C, together with such additional annual rentals as may be fixed by the Board for other easements in respect of Parcel B, those additional rentals to be, however, subject to right in the Company to apply to the Federal Court of Canada for determination thereof in the event of the Company's disagreement with the rentals as fixed by the Board, and such additional rentals to come into force as of the respective dates when, in the Board's opinion, the various other easements become operative; and the said Lease to further provide that for each of the three five-year periods commencing on April 15, 1976, April 15, 1981, and April 15, 1986, annual rentals in respect of Parcel A and in respect of the easements affecting Parcel B and Parcel C should be such as may be fixed by the Board, subject to right in the Company to apply to the Federal Court as aforesaid for determination thereof, but any rental so fixed by the Board or determined by the Federal Court as regards Parcel A not to take into account any such increase in the value of Parcel A as resulting solely from the construction or making, at the Company's expense, of structures, installations or other improvements (whether in the nature of fill, paving or otherwise) upon or to that Parcel A; the aforesaid Parcel A and the various easements to be used by the Company for the purpose of receiving, applying final treatment to, accommodating and/or shipping bulk cargoes in connection with the Company's own business and for purposes appurtenant to the foregoing but

- 3 -

for no other purpose save with the written consent of the Board and upon such terms and conditions as may be stipulated by the Board; the proposed Lease also to provide inter alia that the Board may at any time or times require the Company to take such measures as, in the Board's opinion, are advisable to safeguard against cross-contamination of goods arising out of the Company's operations, and that a corresponding provision will be inserted in any subsequent Lease or Easement Agreement entered into by the Board and any third party re property at Belledune Harbour in any instance where such provisions might reasonably be required as a safeguard against cross-contamination of goods in the possession of, or being dealt with by the Company; the said Lease to the Company to reserve inter alia unto the Board and Board nominees the right to be served by the bulk-cargo facilities of the Company, any such Board nominee to pay to the Company tolls for that service at such rates as may from time to time be fixed by the Board or (in the event of disagreement by the Company with the rate so fixed) then by arbitration, and the said Lease to contain such other terms and conditions as deemed advisable by the Board.

CAPITAL BUDGET - SCHEDULE "A"

SUMMARY OF PROPOSED EXPENDITURE FOR THE YEAR  
ENDING DECEMBER 31, 1972

PART I

To re-establish the authority for previously approved spending and to continue expenditures for which partial expenditures were authorized under Order-in-Council P.C. 1971-464 of March 11, 1971.

Expenditures against commitments made in prior years:

Rubber and Latex	\$ 7,822,000
Other Lines of Business	<u>5,721,000</u>
Total of Part I	<u>\$13,543,000</u>

PART II

To establish authority for spending against new commitments to be made in 1972:

Rubber and Latex	\$ 5,718,000
Other Lines of Business	<u>6,139,000</u>
Total of Part II	<u>\$11,857,000</u>
Total of Parts I and II	<u>\$25,400,000</u>

NOTE 1: The requirements in Part I are based on an estimate of the commitments to December 31, 1971, and upon an estimate of the expenditures to December 31, 1971 under the 1971 Capital Budget. To the extent that actual commitments during 1971 differ from the estimated amount of \$23,281,000 and actual expenditures during 1971 differ from the estimated amount of \$29,700,000 and to the extent that the currency rate of exchange differs from that currently in force, the amount indicated for 1972 may be changed by an appropriate amount without further approval.

NOTE 2: Over-expenditures in any one element which do not cause the total Budget to be exceeded may be made without further approval.

WHEREAS the Acting Minister of Finance reports as follows:

That Orders in Council P.C. 1969-2011 of the 21st October, 1969, P.C. 1971-115 of the 26th January, 1971, and P.C. 1971-2283 of the 2nd November, 1971, all made under the Canadian Wheat Board Act, authorized the Minister of Finance to guarantee the repayment of advances made by the chartered banks named therein to the Canadian Wheat Board (hereinafter referred to as "the Board") in connection with credit sales of grain made pursuant to the following agreements entered into between the Board and the China National Cereals, Oils and Foodstuffs Import and Export Corporation (hereinafter referred to as "the Corporation");

- (a) an agreement at Peking in September, 1969, for the sale of up to 2,300,000 long tons of wheat for shipment during 1969 and 1970;
- (b) an agreement at Peking on October 27, 1970, for the sale of up to 2,700,000 long tons of wheat for shipment from December 1970 to December 1971; and
- (c) an agreement at Ottawa on September 13, 1971, for the sale of 500,000 long tons of wheat for shipment in October, November, and December, 1971;

...2

That pursuant to the said guarantee issued under the aforementioned Orders in Council \$200,000,000 is the maximum amount that could, in accordance with the terms thereof, be outstanding at any time thereunder.

That the Board has entered into a further agreement with the Corporation signed at Peking on December 18, 1971, for the sale of 3,000,000 long tons of wheat to be shipped during 1972, which provides for the payment in cash of 25% of the f.o.b. value of each shipment of wheat and payment of the remainder within eighteen months from the date of such shipment, subject to the detailed provisions set forth in the said contract; and

That it is expedient to extend the said guarantee in order to permit the Board to finance the wheat sales described in paragraph (3) hereof and to increase the maximum amount that may be outstanding under the said guarantee to \$250,000,000, the whole in accordance with the same terms and conditions and subject to the same limitations as are presently set out in the said guarantee.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Acting Minister of Finance, is pleased hereby, pursuant to the Canadian Wheat Board Act, to authorize the Minister of Finance to amend the guarantee issued pursuant to the said Orders in Council P.C. 1969-2011, P.C. 1971-115, and P.C. 1971-2283 by

- (a) extending the said guarantee to permit the Board to finance the wheat sales made pursuant to an agreement entered into between the Corporation and the Board signed at Peking on December 18, 1971, for the sale of 3,000,000 long tons of wheat to be shipped during 1972; and
- (b) increasing to \$250,000,000 the maximum amount that may in accordance with the terms of the guarantee be outstanding at any time thereunder, so that if an advance and the principal amount of all advances made to the Board for the purpose set out in the guarantee by all the banks listed in the aforementioned Orders in Council that are outstanding at the time when such advance is made aggregate more than the sum of \$250,000,000, the guarantee would cover only the portion, if any, of such advance that together with the said principal amount would aggregate the sum of \$250,000,000

and to authorize the Minister of Finance to give to each of the banks referred to in the said Orders in Council a revised guarantee in writing substantially in the form set out in the Schedule hereto.

- (d) an agreement at Peking on December 18, 1971, for the sale of 3,000,000 long tons of wheat for shipment during 1972;

and referred to in the Order in Council approving the form of this guarantee, I, the undersigned, as Minister of Finance, on behalf of Her Majesty the Queen in right of Canada, hereby guarantee repayment to you of all such advances, with interest thereon at such rate or rates and upon such terms as to repayment as may be agreed upon from time to time between you and the Board with the approval of the undersigned.

This shall be a continuing guarantee and shall be in respect of all advances made both before and after the day hereof for the purpose aforesaid, and interest thereon, which may be at any time outstanding or remain unpaid; but, notwithstanding anything contained herein, if an advance and the principal amount of all advances made both before and after the date hereof for the purpose aforesaid by all the banks listed in the Order in Council authorizing this guarantee that are outstanding at the time that such advance is made aggregate more than the sum of \$250,000,000, this guarantee shall cover only the portion, if any, of such advance that together with the said principal amount will aggregate the sum of \$250,000,000.

You may grant to the Board renewals, extensions, releases and discharges and accept compositions and substitutions and deal in any manner with the Board and other interested parties as you may see fit, without prejudice to or in any way limiting or lessening the liability of the undersigned hereunder.

This guarantee replaces and revokes all guarantees previously issued to you for the purpose aforesaid by the undersigned.

## EXPLANATORY NOTES

The Capital Budget of the Northern Canada Power Commission for the fiscal year ending March 31, 1972 as approved by Order in Council PC 1971-531 dated March 18, 1971 is revised to reflect necessary changes in proposed expenditures.

The reduction of \$7,319,700 under Acquisition of Fixed Assets results from increased proposed expenditures totalling \$1,000,000 and decreases in proposed expenditures totalling \$8,319,700 in connection with various projects which are summarized as follows:

	<u>Increase</u>	<u>Decrease</u>
(a) The \$50,000 increase for Land provides for the estimated cost of a building lot for the Commission's proposed Head Office.	\$ 50,000	\$
(b) The \$150,000 increase for Buildings provides the estimated amount required to cover construction to March 31, 1972 for the project referred to in (a) above. The estimated total cost of the project is \$900,000 and \$700,000 to complete construction is included in the Capital Budget 1972-73.	150,000	
(c) The \$400,300 increase under Additions, extensions and improvements, etc., covers:		
(1) Frobisher Bay Utilities Plant, N.W.T. "Acquisition of additional heat/power generating equipment - \$500,000" in the original Budget is part of the Frobisher Bay 1971-72 Expansion Project, N.W.T. authorized at a total cost of \$2,300,000 by Order in Council PC 1971-554 dated March 23, 1971. Current estimates indicate that only \$200,300 is required in the current year, \$200,000 is included in the Capital Budget 1972-73 with \$1,000,000 in 1973-74 and the balance to complete the project in 1974-75.		299,700
(2) Taltson River Power Plant, N.W.T. The Taltson River 1971-72 Expansion Project, N.W.T. is authorized at a total cost of \$9,500,000 by Order in Council PC 1971-554 dated March 23, 1971 but \$300,000 for 1971-72 requirements was not included in the original Budget prepared in November 1970. The Capital Budget 1972-73 includes \$100,000 and it is currently estimated that \$9,100,000 will be required to complete the project in 1973-74 and 1974-75.	300,000	
(3) The Tuktoyaktuk Power Project, N.W.T. is authorized at a total cost of \$600,000 by Order in Council PC 1971-555 dated March 23, 1971 and, subject to further approval of the Governor in Council, scope of the project is to be expanded to include a transmission line from Inuvik which will increase the project cost to \$900,000. The project has been undertaken with \$100,000 of the cost provided in 1970-71, \$700,000 (originally \$300,000) is required in the current year and \$100,000 to complete the project is included in the Capital Budget 1972-73	400,000	

REVISED CAPITAL BUDGET  
NORTHERN CANADA POWER COMMISSION  
FISCAL YEAR ENDING MARCH 31, 1972

EXPLANATORY NOTES (Cont'd)

	<u>Increase</u>	<u>Decrease</u>
(d) The Central Arctic Power Project, N.W.T. is authorized at a total cost of \$600,000 by Order in Council PC 1971-555 dated March 23, 1971 and the Rankin Inlet portion of the project has been undertaken. The original Budget provided for 1971-72 expenditures at \$240,000 whereas current estimates indicate that \$340,000 will be required.	\$  100,000	\$
(e) The rescheduling of construction and deferments in the undertaking of projects have reduced 1971-72 requirements for:		
(1) Arctic Red River Power Project, N.W.T.		150,000
(2) Eastern Arctic Power Project, N.W.T.		60,000
(3) Fort Franklin Power Project, N.W.T.		100,000
(4) Fort Norman Power Project, N.W.T.		170,000
(5) Great Slave Lake Power Project, N.W.T.		200,000
(6) Resolute Power Project, N.W.T.		700,000
(7) Western Arctic Power Project, N.W.T.		40,000
(f) The Hay River Power Project, N.W.T. (originally shown as Hay River Transmission Line Project, N.W.T.) is authorized at a total cost of \$2,000,000 by Order in Council PC 1971-554 dated March 23, 1971 but scope of the project has since been reduced by elimination of the provision for purchase of a local distribution system. Accordingly, total cost of the project has been reduced to \$1,000,000 of which \$100,000 is required in the current year and \$900,000 to complete the project is included in the Capital Budget 1972-73.		1,900,000
(g) Actual construction has been deferred to permit further site investigations and engineering studies in relation to:		
(1) Mackenzie River Power Project, N.W.T. originally provided for at \$300,000 and since reduced to \$100,000;		200,000
(2) Yukon Power Project, Y.T. (originally Yukon Hydro Project, Y.T.) provided for at \$5,000,000 and since reduced to \$500,000.		4,500,000
	<u>1,000,000</u>	<u>8,319,700</u>

The proposed expenditures under Acquisition of Fixed Assets will be reflected in Vote L75 under Loans, Investments and Advances - Department of Indian Affairs and Northern Development, Estimates 1971-72 and, as a result, \$7,319,700 of the vote will lapse at year-end.

The increase of \$7,500 under Repayment of Borrowed Capital results from detailed calculations following the payment of debt retirement installments which fell due March 31, 1971.

WHEREAS the Minister of Transport reports as follows:

that by Order in Council P.C. 1948-3120 of 13th July 1948, the Department of Transport was authorized to lease to Bancroft Industries Limited 44,800 square feet of Lachine Canal reserve land on the west side of Mill Street, consisting of cadastral lots Nos. 538, 539, 540, 541 and 542 of the Ste-Anne Ward of the City of Montreal, Province of Quebec, for a term of 5 years beginning November 22nd 1946 and ending November 21st 1951, subject to renewal for further terms of 21 years forever at an annual rental of \$2,800, payable semi-annually, and subject to revision at renewal time; the said land to be used for the purpose of carrying on the Lessee's business thereon;

that by Order in Council P.C. 1952-4546 of 28th November 1952, the Department of Transport was authorized to renew Lease No. 42751 upon like terms and conditions by supplemental agreement dated the 5th day of December 1952, for a further term of 21 years from the 22nd day of November 1951;

that by Order in Council P.C. 1948-3119 of 13th July 1948, the Department of Transport was authorized to lease to Bancroft Industries Limited, 16,800 square feet of Lachine Canal reserve land on the west side of Mill Street consisting of cadastral lots No. 537 and the south half of Lot No. 536 of Ste-Anne Ward of the City of Montreal, Province of Quebec, for a term beginning November 22nd 1946 and expiring April 30th 1965, subject to renewal for a further term of 21 years, at an annual rental of \$1,050. payable semi-annually, and subject to revision at renewal time; the said land to be used for the purpose of carrying on the Lessee's business thereon;

- 2 -

that by Order in Council P.C. 1959-204 of 19th February 1959, the management and control of the Lachine Canal, amongst others, was transferred from the Department of Transport to The St. Lawrence Seaway Authority;

that by Order in Council P.C. 1966-2137 of 10th November 1966, the Authority was granted permission to renew Lease No. 42750 by supplemental agreement dated the 27th day of October 1966, for a further and final term of 21 years from May 1, 1965, at a revised annual rental of \$1,765. payable semi-annually, but excluding docking privileges, thereby revoking clause No. 9 of the Lease.

that the areas covered by these Leases are contiguous to one another and the buildings of the Lessee on the site of Lease No. 42751 have collapsed on or about March 4th 1971;

that the Lessee has no further use for the land under Lease No. 42751 except for that portion on which lies part of the Lessee's building on land under Lease No. 42750; and

that it is desirable to retire Leases granted for terms renewable in perpetuity, and to that effect, the Authority is now prepared to enter into a Lease with Bancroft Industries Limited in supersession of Leases Nos. 42750 and 42751 to cover the tenancy of 28,420 square feet of Lachine Canal reserve land for a term to coincide with the remaining period of renewal Lease No. 42750, at an annual rental of \$3,445, payable semi-annually, and subject to cancellation on 6 months' notice for a public purpose.

- 3 -

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, pursuant to section 12 of the St. Lawrence Seaway Authority Act, is pleased hereby to grant approval to The St. Lawrence Seaway Authority to cancel the above described Leases Nos. 42750 and 42751 (now Nos. 61-519 and 61-520), and, in supersession thereof, enter into one Lease with Bancroft Industries Limited for the tenancy of 28,420 square feet of Lachine Canal reserve land on the west side of Mill Street, consisting of cadastral lots Nos. 537, 538 and part of 536 and 539 of Ste-Anne Ward of the City of Montreal, Province of Quebec, for a term ending April 30, 1986, not subject to renewal but subject to cancellation on 6 months' notice should the land be required for a public purpose and the payment to the Lessee of the then value of the Lessee's buildings erected on the said land, at an annual rental of \$3,445, payable semi-annually and subject to all other conditions set forth in the said renewal Leases Nos. 42750 and 42751; the said land shall be used for the purpose of maintaining and using the Lessee's buildings erected thereon.

P.C. 1972-233

10 February, 1972

WHEREAS the Minister of Transport reports  
as follows:

that by Order in Council P.C. 1950-3518 of 25th July 1950, the Department of Transport was authorized to lease to Montreal Transfer Terminal Limited 43,831 square feet of Lachine Canal reserve land in the City of Montreal, Province of Quebec, at an annual rental of \$3,290, for a term of 21 years beginning July 1st 1948 and expiring June 30th 1969, subject to cancellation at any time upon 12 months' written notice in which event any buildings together with permanent fixtures therein shall become the property of His Majesty and His Majesty shall pay to the Lessee the actual value of such buildings and fixtures as of the date of termination and subject also to renewal for a further term of 21 years at a revised rental;

that by Order in Council P.C. 1951-467 of 27th January 1951, the Department of Transport was authorized to lease to Montreal Transfer Terminal Limited an additional 9,908 square feet of Lachine Canal reserve land contiguous to the above described land, in the City of Montreal, Province of Quebec, at an annual rental of \$743, for a term of 18 years and 10 months beginning September 1st 1950 and expiring June 30th 1969, subject to cancellation and compensation on the basis applicable in the manner indicated in the above described Lease;

- 2 -

that by Order in Council, P.C. 1959-204 of 19th February 1959, the control and administration of the Lachine Canal, amongst others, were transferred from the Department of Transport to The St. Lawrence Seaway Authority;

that on March 24, 1969, Montreal Transfer Terminal Limited requested the renewal of the cited Leases bearing Nos 46041 and 46594 for a further and final term of 21 years;

that negotiations with Montreal Transfer Terminal Limited to fix an annual rental for the renewal term have been difficult owing to the Company's financial set-backs arising from the partial loss of its building by fire two years ago and marginal profits derived from its warehousing operations; and

that the Lessee is now prepared to enter into a new Lease with the Authority in supersession of the cited Leases for their aggregate area of 53,739 square feet of Lachine Canal reserve land in the City of Montreal, Province of Quebec, for a term of 20 years, at an annual rental of \$6,450 for the first 5-year period of the term, subject to revision for every subsequent 5-year period thereof, such Lease subject to cancellation at any time upon 12 months' written notice, in which event the buildings of the Lessee as they now exist on the land shall become the property of the Lessor and the Lessor shall pay to the Lessee the actual value of such buildings.

- 3 -

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, pursuant to section 12 of the St. Lawrence Seaway Authority Act, is pleased hereby to grant approval to The St. Lawrence Seaway Authority to cancel the above described Leases Nos 46041 and 46594 to Montreal Transfer Terminal Limited and, in supersession thereof, enter into one Lease with the Company for the tenancy of 53,739 square feet of Lachine Canal reserve land, immediately southwest and northwest of former St. Gabriel Basin No. 4 in the City of Montreal, Province of Quebec, more fully described and shown on Plan No. SL-71-53 in the Authority's records, for a term of 20 years, at an annual rental of \$6,450 for the first 5-year period of the term and subject to revision of rental for every subsequent 5-year period thereof; such Lease to be subject to cancellation at any time upon 12 months' written notice, in which event the buildings of the Lessee as they now exist on the land shall become the property of the Lessor and the Lessor shall pay to the Lessee the actual value of such buildings; the said land shall be used for the purpose of maintaining and using thereon a warehouse and offices in connection with the Lessee's business and for parking purposes.

WHEREAS the Canadian National Railways Refunding Act, 1955 provides that the Minister of Finance, upon applications made to him by Canadian National Railway Company (hereinafter called the "National Company") and approved by the Minister of Transport, may, with the approval of the Governor in Council, make temporary loans to the National Company out of the Consolidated Revenue Fund for the purpose of paying outstanding securities at maturity of the National Company and of companies comprised in the National Railway System;

AND WHEREAS an application has been made by the National Company, and approved by the Minister of Transport, for a temporary loan not exceeding in the aggregate \$100,000,000, that the National Company requires for the purpose of paying a matured security of the System as follows:

<u>Due Date</u>		<u>Amount</u>
January 1, 1972	Canadian National Railway Company 3 5/8% debenture issued pursuant to the CNR Capital Revision Act, 1952	\$100,000,000

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport and the Minister of Finance, pursuant to the Canadian National Railways Refunding Act, 1955, is pleased hereby to approve a temporary loan to the National Company not exceeding in the aggregate \$100,000,000 to enable the National Company to pay the debenture referred to above, such loan to be made in accordance with the following terms and conditions:

- (a) the loan shall be secured by a promissory note issued by the National Company;
- (b) the note shall be dated January 1, 1972 and shall be for a term of five years from that date;
- (c) the loan shall bear interest at an annual rate to be determined by the Minister of Finance based on the average yields of Government of Canada bond issues for the five business days immediately preceding December 18, 1971, viz 5.5%, except that interest shall not be payable by the Company on the said sum in respect of the calendar year 1972;
- (d) interest on such amount of the principal as remains outstanding from time to time shall be payable semi-annually except as noted in (c) above, having regard to the date of the note;
- (e) the loan shall bear interest both before and after maturity from but not including the date of the note up to and including the date of payment; and
- (f) the note may be redeemed by the National Company in whole or in part, without penalty, prior to the due date.

P.C. 1972-401

29 February, 1972

WHEREAS the Minister of Transport reports  
as follows:

that pursuant to section 413 of the Railway Act, provision is made for normal payments to Railway Companies and to Canada Steamship Lines Limited on a declining basis, beginning at \$110 million for 1967 and declining to \$12 million in 1974;

that pursuant to subsection 413(2) of the Railway Act the total amount of normal payments for 1972 is \$40 million;

that for 1972 normal payments to each eligible company be calculated on the basis of normal payments for 1971 in respect of each eligible company, and that the payment to Canada Steamship Lines Limited be reduced in proportion to \$40 million in 1972; and

that provision is made for claims under sections 256, 258, 261 and 272 of the Railway Act and for equalization payments under subsection 413(4) such equalization payment for each company being the amount by which the normal payment for such company exceeds the aggregate of the amounts paid or payable to such company under sections 256, 258, 261 and 272 of the Act.

- 2 -

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, is pleased hereby to prescribe that the Minister of Finance may make payments, including instalment payments, in or in respect of the year 1972 under sections 258, 272 and 413 of the Railway Act, to the eligible companies as defined in section 413 of the said Act and to Canada Steamship Lines Limited, subject to the following conditions:

1. payments shall be made only upon the recommendation of the Canadian Transport Commission;
2. payments to Canada Steamship Lines Limited for 1972 shall be in the total amount of \$158,184; and
3. the method of calculating normal payments shall be to apply to the sum of \$40,000,000 less the sum of \$158,184 payable to Canada Steamship Lines Limited the percentage which each eligible company's allocation for 1971 was of the total normal payments for 1971, as set out in paragraphs 2 and 3 of Order No. R-10794 of the Canadian Transport Commission dated January 26, 1971.
